

## Reservable Group Sites

Reservable Group Sites are available at many of the Moab Field Office's campgrounds. These facilities are suitable for school groups, family reunions, weddings, or a gathering of friends. Each site is in a stunning natural setting. Multiple sites can be reserved to accommodate larger group sizes. **For reservations, go to [www.recreation.gov](http://www.recreation.gov).**

| Campground/Location                                   | Group Sites  | Number of People | Fee  |
